

10 POINT PLAN PARTNERS

10 point plan for Victorian women's health 2010 – 2014

The 10 point plan outlines a vision for women's health in Victoria over the next 5 years. It recognises the impact of gender in health and health inequities and seeks to address these through a range of whole of government strategies.

The organisations listed below have endorsed the 10 point plan for Victorian women's health 2010 -2014.
